

GETTING TO OLMC

Located on the leafy fringe of Parramatta's vibrant CBD, OLMC provides students with access to all the arts, culture and other learning facilities of a major Western Sydney CBD.

The central location and proximity to the Parramatta interchange (approximately 15 minutes' walk) means students can comfortably travel to and from the College using public transport from throughout western, north western and south western Sydney. Most students use train or bus to travel to and from the College.

From the Parramatta transport hub, students have 2 bus options:

- State Transit Bus No 697W operates between Parramatta Station and OLMC (Ross Street) in the morning and the afternoon (subject to timetabling).
- The free Parramatta Shuttle Bus runs from Parramatta Station and stops on O'Connell Street, across the road from the College.

If you have any questions regarding travel to and from the College, including completing the online *School Opal Card Application Form*, please do not hesitate to contact the Barbara McDonough Student Centre on 9683 3300 for assistance.

The information provided in this brochure is a guide and is subject to change by transport operators. For detailed information regarding your daughter's individual travel arrangements, contact the relevant transport operator or visit www.131500.com.au.
